Baton Rouge, LA 70804-4275

Re: APPLICATION FOR PUBLIC HEARING

Proposed Unit
Paluxy Formation, Reservoir B
Red River – Bull Bayou Field
Red River Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **ARK-LA-TEX ENERGY, LLC** (Applicant), to the Commissioner Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Paluxy Formation, Reservoir B, Red River – Bull Bayou Field, Red River Parish, Louisiana:

1. To create one (1) 320 +/- acre drilling and production unit for the exploration of and the production of gas and condensate for the Paluxy Formation, Reservoir B, in the Red River – Bull Bayou Field, Red River Parish, Louisiana, such unit being designated PXY RB SUA and shown on the attached plat and being made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage bases of participation.
3. To designate a unit operator and unit well where applicable.
4. To require future wells drilled to the Paluxy Formation, Reservoir B, to be located at least 330 feet from unit lines and 1320 feet between wells.
5. To provided for reclassification of the reservoir if the producing characteristics should change without the necessity of a public hearing, if evidence is presented to and accepted by the Commissioner of Conservation to warrant such change.

Hon. James H. Welsh
Red River – Bull Bayou Field
2

6. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Paluxy Formation, Reservoir B, in the Red River – Bull Bayou Field, Red River Parish, Louisiana, is to be defined as that gas and condensate productive interval encountered between the depths of 2,512 feet to 2,806 feet (electric log measurements) in the ARK-LA-TEX Energy, LLC – F. Matthews Trust et al No. 1 Well located in Section 28, Township 13 North, Range 11 West, Red River, Louisiana.

The pertinent data pertaining to this application is available for inspection at the Offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

A Pre-Application Conference was held at 9:00 AM, Friday, June 22, 2007, to discuss the proposed application. The parties attending the conference are attached. All parties attending the conference were representatives of the applicant and/or working interests owners. No objections to the application were expressed by the parties attending the conference.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this notice of this application is being sent. A copy of this letter, plat and list of parties is being sent to the District Manager of the Shreveport District Office of Conservation and the attached letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

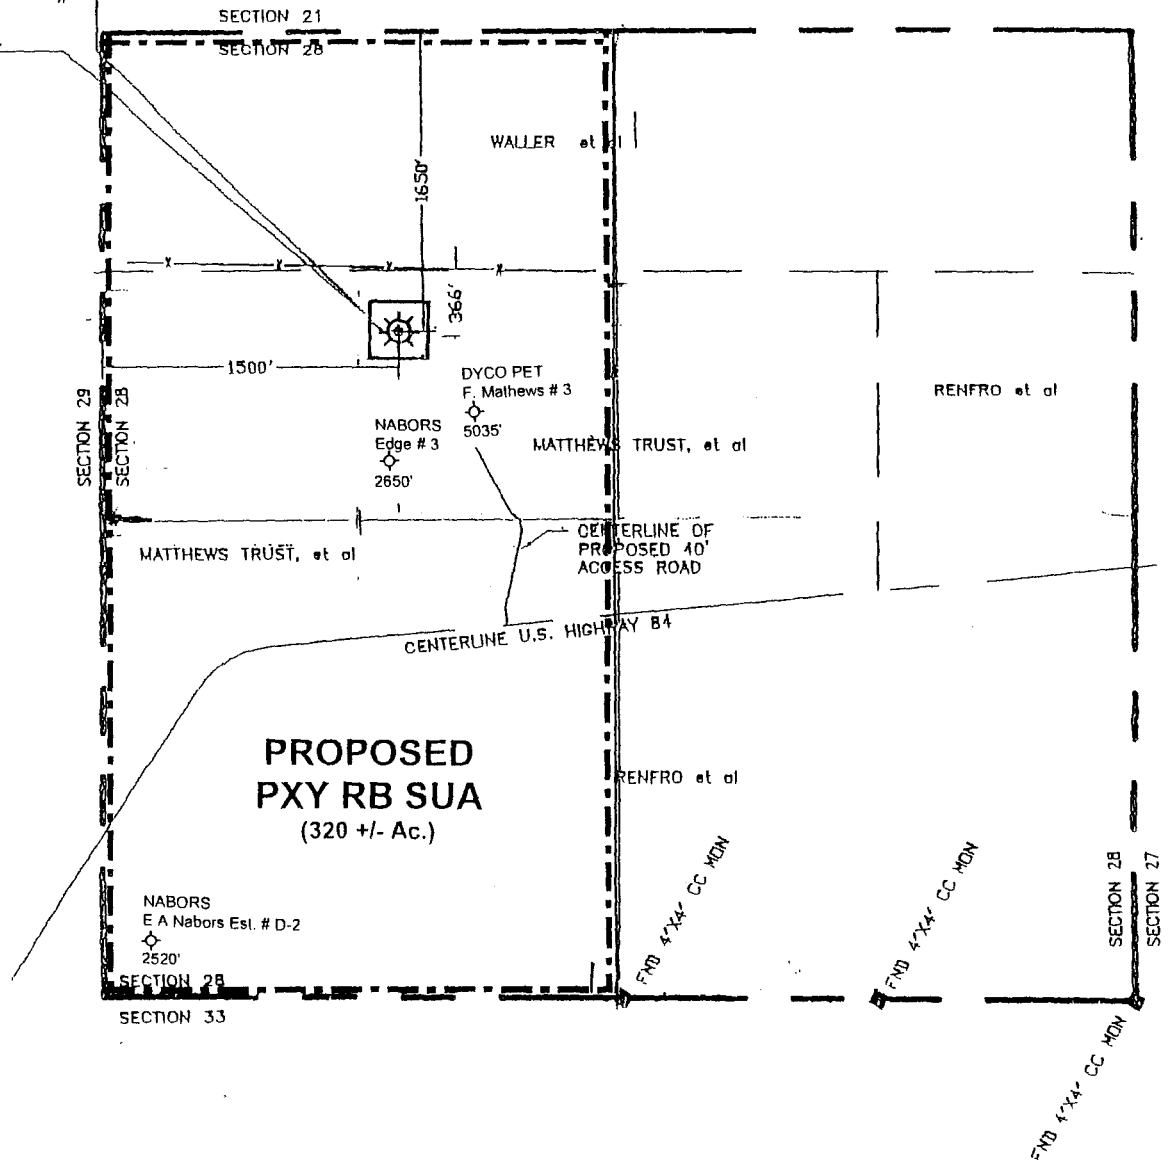

B. F. Anderson, PE for
